

# Be Hurricane Prepared: What to Include in Your Emergency Kit

At a minimum, you should have:

- ✓ Water: one gallon per person, per day (3-day supply for evacuation, 2-week supply for home)
- ✓ Food: non-perishable, easy-to-prepare items (3-day supply for evacuation, 2-week supply for home)
- ✓ Flashlight
- ✓ Radio (battery powered or handcranked)
- ✓ Extra batteries
- ✓ First aid kit
- ✓ Medications (7-day supply) and medical items
- ✓ Multi-purpose tool
- ✓ Personal hygiene and sanitation items
- ✓ Cell phone with chargers
- ✓ Medication list and pertinent medical information, proof of address, deed/lease to home, passports, birth certificates, insurance policies
- ✓ Emergency contact information
- ✓ Extra cash
- ✓ Emergency blanket
- ✓ Maps of the area

Also consider including:

- ✓ Hat and sturdy shoes
- ✓ Games
- ✓ Pet supplies
- ✓ Extra set of car and house keys
- ✓ Manual can opener
- ✓ Whistle
- ✓ N95 or surgical mask
- ✓ Matches
- ✓ Rain gear
- ✓ Towels
- ✓ Extra clothing
- ✓ Work gloves
- ✓ Plastic sheeting
- ✓ Duct tape
- ✓ Scissors
- ✓ Household liquid bleach
- ✓ Blankets or sleeping bags
