Do not attempt to use fitness equipment you have not been shown and/or oriented on. For example, the rowing machine has a seat that does not lock in place, and it sits very low. If you struggle to sit or stand without support, this machine isn't for you. Talina is available by appointment only for fitness equipment orientations.

Only three residents have expressed interest in water volleyball. We need 10 residents to commit to this activity to add it to the calendar. If you are interested in more information, please contact Talina.

COMMUNITY EXERCISE OPERATION PROTECT & SECURE

Wednesday, September 17
10 a.m. (time is approximate)

John Knox Village will be participating in the county-wide active shooter drill on September 17.

The drill will take place Village-wide, in order for residents and staff to practice community safety procedures should a real event take place in the Village or in our surrounding community.

During the drill:

- All residents will be asked to go indoors and lock their units.
- If you are out and about, you will be asked to move to the closest building and remain in place until an all clear message is announced through the **Village Alert Line**.
- The drill may interrupt normal business activities such as dining, maintenance, housekeeping, fitness, access to campus, transportation, as well staff being able to answer phones.
- The drill should last approximately 30 minutes at which time normal operations will resume.
- All gate houses will be shut down during this time.
- Visitors and vendors will not be allowed on campus once the drill starts until the all clear is given. If on campus when the drill starts, they will also be participants in the drill.
- We ask that all staff and residents take the drill seriously, do not panic, and participate as if it were a real event.
