JKV Fitness

February is National Heart Month, a great time to focus on strengthening your cardiovascular health. Residents are encouraged to participate in 28 days of aerobic activity, such as dance fitness, DrumFit, line dancing, or the 1,000 Mile Club, where you can track the miles you walk each day.

Additionally, the Fitness Equipment Challenge will take place February 2 through February 28. Each time you visit either fitness center, please be sure to sign in to receive credit. The resident who signs in and uses the fitness equipment most frequently during the challenge will win a prize.

If you have never used the fitness equipment before, this may be a great opportunity to schedule an appointment with Talina to create a personalized fitness plan. Even a few minutes on a few machines can make a meaningful difference—those minutes add up and contribute to long-term health benefits.

We encourage you to get up and get moving. It is never too late to start.

Ping-Pong

Ping-pong is great for hand-eye coordination and mental focus. Join us every Saturday morning at 8:30 a.m. in the Barker Center Ping-Pong room for some healthy fun. There are plenty of extra paddles on hand.

JKV Library

Check This Out: Some authors write romances, some write thrillers, some write life stories. And some of our authors write all three (and more). Since your JKV Library has separated Mysteries and Westerns out from general fiction to make it easier for lovers of those genres, that means the authors that write different types of books can be found in different places. For example, James Patterson has books in Mystery (of course), but he also has books in Fiction, Biography, and Nonfiction. So if you have favorite authors you might find them in more than one place! Your JKV Library online catalog or one of our very helpful volunteers can help.

Spiritual Life Library

For the month of February the Spiritual Life Library is featuring commentaries on the book of Revelation. Come check them out.
