

MAJESTIC OAKS

VISITATION POLICY AND PROCEDURE

SUBJECT: Visitation

Date: October 1, 2026

Approved: 

I Policy

The Visitation Policy is designed to promote resident, visitor, and employee safety and compliance with applicable laws and regulations. The community does not restrict visitation. As per Florida Statute 408.823, the Administrator is responsible for ensuring that staff adhere to the policies and procedures.

Visitors are not required to submit any proof of any vaccination or immunization.

Consensual physical contact is allowed between a resident and a visitor.

II. Procedure

1. This facility shall permit residents to receive visitors of his or her own choosing at the time of his or her choosing, subject to the resident's right to deny visitation when applicable, and in a manner that does not impose on the rights of another resident.
2. The facility will provide immediate access to any resident by:
 1. Any representative of the Secretary of HHS;
 2. Any representative of the State of Florida;
 3. Any representative of the Office of the State Long Term Care Ombudsman;
 4. The resident's physician;
 5. Any representative of the protection and advocacy systems, as designated by the State of Florida, and as established under the Developmental Disabilities Assistance and Bill of Rights of 2000;
 6. Any representative of the agency responsible for the protection and advocacy system for individuals with mental disorder as established under the Protection and Advocacy for Mentally Ill Individuals Act of 2000;
 7. The resident representative; or
 8. Immediate family and other relatives of the resident, subject to the resident's right to deny or withdraw consent at any time.
3. Visitation may occur at any time. For security reasons, the building is secured in the evenings and can be accessed by contacting the facility by phone or utilizing the doorbell at the 100 hall ambulance entrance. For visitation after 9pm for residents who may be in a shared room, the facility can assist residents and their guests to find a suitable location

for visitation that will not disrupt a roommate. There is no limitation on the visitation length.

4. Majestic Oaks does not limit the number of visitors per resident.
5. In-person visitation is allowed in all of the following circumstances, unless the resident, client, or patient objects:
 1. End-of-life situations
 2. A resident, client, or patient who was living with family before being admitted to the provider's care is struggling with change in environment and lack of in-person family support.
 3. The resident, client, or patient is making one or more major medical decisions
 4. A resident, client, or patient is experiencing emotional distress or grieving the loss of a friend or family member who recently died.
 5. A resident, client, or patient needs cueing or encouragement to eat or drink which was previously provided by a family member or caregiver.
 6. A resident, client, or patient who used to talk and interact with others is seldom speaking.
 7. For Hospitals, childbirth, including labor and delivery (not applicable).
 8. Pediatric patients (not applicable).
6. To ensure the health and safety of clients, Majestic Oaks requires visitors to adhere to general infection control protocols which may include wearing personal protective equipment while on the premises.
7. John Knox Village of Central Florida, Inc. will screen the visitor per the facility's infection control policy and procedure via Accushield and will document the name of the individual, the date, and time of entry.
8. This facility will provide reasonable access to a resident by any entity or individual that provides health, social, legal or other services to the resident, subject to the resident's right to deny or withdraw consent at any time.
9. Each resident and/or resident representative shall receive a copy of this facility's policies and procedures for visitation as set out herein.
10. Each resident will be informed of the right, subject to his or her consent, to receive visitors whom he or she designates, including, but not limited to, a spouse (including a same sex spouse), a domestic partner (including a same sex domestic partner) a family member, or a friend and the right to withdraw consent at any time.
11. This facility will not restrict, limit or otherwise deny any visitation privileges on the basis of race, color, national origin, religion, sex, gender identity, sexual orientation or disability.

12. Visitors may enjoy full and equal visitation privileges consistent with resident preference.
13. Majestic Oaks does not require visitors to agree in writing to follow the visitation policies and procedures. However, if the visitor has violated the policies and procedures, Majestic Oaks may suspend in-person visitation for the specific individual.
14. The Visitation Policy and Procedure is posted on the Community's website at www.johnknox.com.

III. General Infection Control Guidelines

1. If the individual is a first-time visitor, offer them the infection control training and education.
2. Ensure hand sanitizer is available for staff, visitors, and residents throughout the community.
3. Face mask use for residents and visitors is optional, regardless of vaccination or immunization status, unless the resident or visitor is ill or symptomatic.
4. All visitors must immediately inform the community if they develop symptoms or test positive for any infectious disease or virus within 7 days of their visit to the community.
5. This policy does not prohibit visits if the specific resident to be visited is quarantined, tested positive, or showing symptoms of a communicable disease. Visits in these circumstances will require a higher level of Personal Protective Equipment (PPE) than standard masks. PPE will be provided to the visitor and will be in accordance with the most recent CDC guidance for healthcare workers.

IV. Visitor Education

Standard Precautions

- Every visit shall require the visitor to sign in and out in Accushield
- Regular hand washing will be adhered to before, during, and after the visit

Hand-Washing for Visitors

- Hand-washing facilities will always be available for use by visitors.
- Alcohol-based hand gels will be available to all visitors. Hand washing and cleansing with an alcohol-based sanitizer are acceptable methods for hand Hygiene.
- Visitors will clean their hands before and after visit, and as needed during the visit.
- Proper Hand-hygiene is indicated below:
 - Wash hands by wetting with warm water. Apply soap.
 - Rub your hands together vigorously for at least 20 seconds covering all surfaces of the hands and fingers.
 - Rinse your hands with warm water. Always hold hands so that they are lower than the elbows to allow water to flow from the fingertips.
 - Use disposable towels to dry.
 - Use towel to turn off the faucet.
